Crafting Spaces, Inspiring Lives

Meet Our Team

At ARC Cabinetry, we believe that the heart of our success lies in the exceptional individuals who make up our team. With a diverse blend of expertise, dedication, and passion, we're proud to introduce you to the driving force behind our company. Built for America, our people bring together the expertise, craftsmanship, and commitment required to deliver cabinetry that meets the evolving needs of American homes and businesses.

Experienced Industrial Engineers: Our team of seasoned industrial engineers brings a wealth of knowledge and expertise to the table. With years of experience in designing and optimizing manufacturing processes, they ensure that every aspect of our production is efficient, precise, and of the highest quality. Their innovative mindset and strategic approach are instrumental in continuously improving our products and operations.

Passionate Workforce: Behind every meticulously crafted cabinet and meticulously executed project stands our hardworking workforce. Comprising skilled craftsmen, technicians, and artisans, they are the backbone of our production process. Their unwavering dedication, attention to detail, and commitment to excellence ensure that each piece of cabinetry meets our rigorous standards and exceeds customer expectations.

Logistics Reliability: Ensuring smooth operations from production to delivery is our logistics team. With a keen eye for detail and exceptional organizational skills, they orchestrate the intricate dance of supply chain management. From coordinating shipments to optimizing routes, they guarantee timely delivery and seamless logistics, allowing us to fulfill orders efficiently and reliably across the United States.

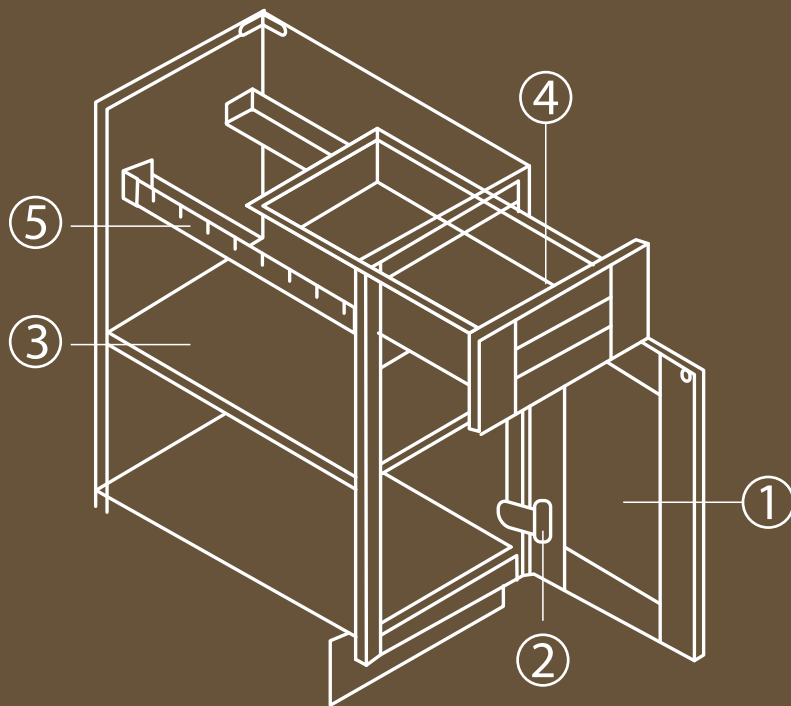

Quality Specialists: Quality is not just a goal; it's a commitment we uphold at every step of the way. Our team of quality control specialists is tasked with maintaining the impeccable standards of craftsmanship and performance that define our brand. Through rigorous inspection protocols and meticulous attention to detail, they ensure that every cabinet that leaves our facility is flawless, durable, and built for the demands of American living.

Our Team

ARC Cabinetry offers Ready-To-Assemble (RTA) options and semi customization capabilities tailored to our customers' specific requirements. Our cabinets undergo meticulous production procedures within a cutting-edge factory environment, adhering to rigorous quality control measures and oversight. Utilizing precision machinery combined with hand-craftsmanship, each cabinet is meticulously finished to exacting standards.

Our Cabinet

1. Door Panel: 3/4"-thick solid wood; full overlay door. No MDF or particle board.

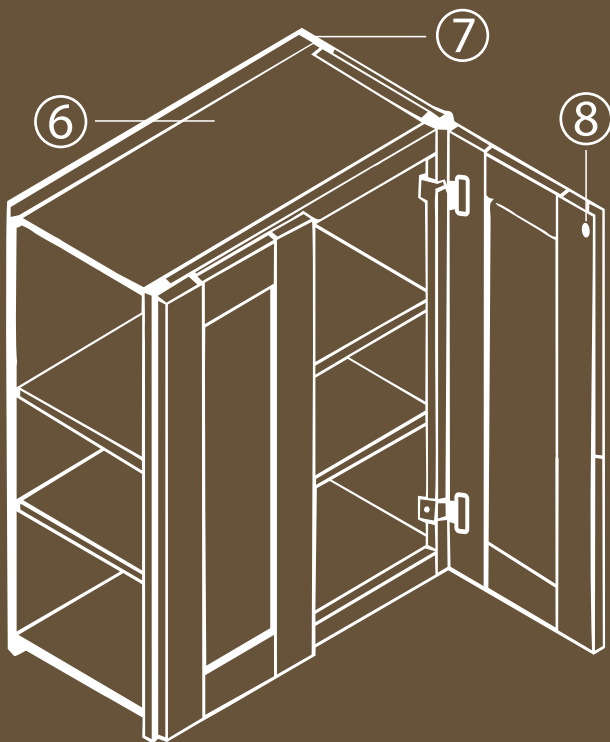

2. Door Hinge: 6-way adjustable; soft-close metal; hidden Euro-style.

3. Adjustable Shelf: 3/4"-thick cabinet-grade plywood; clear coat finish on all sides; front edge banded; metal shelf rests.

4. Drawer: 1/2"-thick solid wood on all sides; full extension pull-out; dovetail construction.

5. Drawer Glide: full extension pull-out; soft-close; metal construction; concealed under-mount.

Design

6. Plywood Box: 5/8"-thick cabinet-grade plywood; clear coat finish on interior sides; matching color finish on exterior sides.

7. Metal Bracket: corner bracket reinforcements in base and wall cabinets for maximum stability.

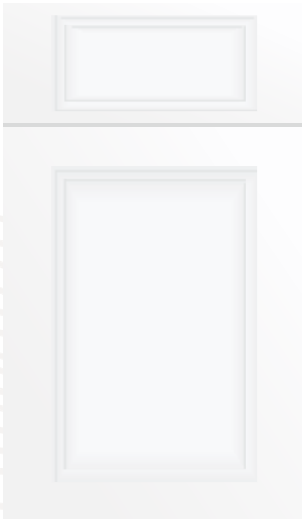

8. Door Bumper: promote quiet-closing and reduce slamming for maximum durability.

Building Dreams, One Cabinet at a Time.

Our Door Styles

Modern Collection

Clean shaker and recessed-panel doors in a versatile range of painted and stained finishes - from crisp whites to deep espresso. Built to last, the Modern Collection delivers timeless style that suits virtually any kitchen, making it our most adaptable line.

Nordic White (NW)

Scottish Grey (SG)

Kona Espresso (KE)

Zurich White (ZW)

Exclusive Collection

Our most refined finishes for homeowners who want something distinctive. Tuscan Pearl's hand-applied glazing and Fuji Light's natural wood grain bring depth and character you won't find in a standard cabinet. Premium detailing in every door.

Tuscan Pearl (TP)

Fuji Light (FL)

Contemporary Collection

Flat-panel, handleless design stripped to its essentials. Windsor White's seamless slab doors and uninterrupted lines create a sleek, minimalist look - while the framed cabinet box beneath delivers the structural integrity and durability that slab styles often sacrifice. A modern flat-panel aesthetic built on a foundation that lasts.

Windsor White (WW)
